**Bachelor of Arts, Science and Technology (Hons) in Individualised Major ①P⑦**

**JS2960**

**Bachelor of Arts and Science (Hons) in Digital Futures and Humanities ⑥**

## TRANSDISCIPLINARY SECOND MAJORS / SECOND MAJORS

The University envisions the importance of transdisciplinary innovations in response to global challenges and offers a flexible curriculum structure that is much more agile and fits the present and yet-to-known future needs.

TSMs are geared for particular talent needs in Hong Kong and prepare students to pool knowledge from different disciplines to excel in multiple careers, whereas SMs prepare students to gain in-depth knowledge from another discipline to complement the first major. This approach equips students not only for their careers, but also the future development of their respective fields.

Students can declare one of the following TSMs / SMs by the end of the first semester of their second year's study and commence the TSM / SM studies in Year 3.

Transdisciplinary Second Majors	Second Majors
<ul style="list-style-type: none"><li>• Cultural Industry Management</li><li>• Creative Industry Management</li><li>• Digital Entertainment</li><li>• Interactive Media Publishing</li><li>• Green Technology and Sustainability Management</li><li>• Applied AI for Sustainable Society</li><li>• Entrepreneurship and Innovation Management</li></ul>	<ul style="list-style-type: none"><li>• AI and Data Science</li><li>• Testing Sciences</li></ul>

Students pursuing a TSM / SM are required to complete a minimum of 134 units for graduation i.e. 6 more units than the regular graduation requirement.

\* TSMs or SMs are not available to students admitted to Transdisciplinary programmes, dual / double / combined degree programmes and other programmes which may not be able to make arrangements for their students to opt for a TSM or SM.

# Admissions Scores and Special Admissions

## Score Calculation Method and Subject Weightings

The University adopts the "Best 5 (Any Best 5 Subjects)" score formulae for calculating applicants' admissions scores.

Please refer to our website for the details of subject weightings.

## Reference Admissions Scores

Admission scores of past exercises are provided for reference only and should not be used to predict the chance of admission to any programmes in subsequent years.

## Score conversion for HKDSE subjects

## Score Calculator

Visit the JUPAS Score Calculator to simulate your admissions score of HKBU programmes.

## Alternative Chinese

For Non-Chinese Speaking students fulfilling one of the specified conditions, HKBU accepts the specified alternative Chinese language qualifications for meeting the entrance requirement for HKDSE Chinese Language. Please refer to our website for the list of alternative Chinese language qualifications and the conversion scale.

## Alternative English

The specified public examination results are recognised by the University as equivalent to Level 3 of HKDSE English. Please refer to our website for the list of specific public examination results.

## Special Consideration

JUPAS Band A applicants who fail to meet the general entrance requirements by one level in any one of the HKDSE subjects (except Citizenship and Social Development), but obtain a total of two \*'s (either one subject with 5\*\* or 2 subjects with 5\*) or above in any subject(s) may also be considered for admission.

# General Entrance Requirements

Apply Now

## General Entrance Requirements for 2026 entry

Chinese Language	English Language	Mathematics	Citizenship and Social Development	Any TWO Elective Subjects
Level 3	Level 3	Level 2	Attained	Level 3

- One of the elective subjects must be Category A subjects excluding Extended Part of Mathematics (Module 1 or Module 2). Another elective subject can be all Category A subjects including Extended Part of Mathematics (Module 1 or Module 2).
- Individual programmes may consider Category B subjects (Applied Learning) with "Attained with Distinction (!)" or above and / or Category C subjects (Other Languages) for fulfilment of the second elective subject requirement. Please refer to the programme entrance requirements of individual programmes for details.
- Category B subjects under the study area of "Applied Learning Chinese" are recognised as an alternative Chinese language qualification for non-Chinese speaking students. These subjects are not for fulfilment of the second elective subject requirement.
- "Attained" in Citizenship and Social Development (CSD) will not be included in the admission score calculation. Applicants with Level 2 or above in Liberal Studies subject attained in 2023 or before would be accepted in lieu of CSD for fulfilling the GERs. Following the handling of CSD, results of Liberal Studies subject would not be given any score in score calculation starting from the 2024 entry.
- For applicants with multiple attempts in HKDSE Examination, the best results for the same subject will be counted for meeting the general entrance requirements and for the calculation of admissions scores.

## Fees and Scholarships\*

Tuition Fee for 2026/27

Local Students: **HKD47,000**

Admission Scholarships

\* Subject to the University's review.
